

NOTICE REGARDING THE ILLUSTRATIVE NATURE OF THE IMAGES

Institute Itech S.r.l., with its registered office at Via San Raffaele 21, Milan, Italy, certified email (PEC): cert@pec.institute.iite.eu, as the owner of this website and of the content published herein, hereby informs users about the nature of the images and graphic representations relating to the project named "Oxyleaf" published on its website.

1. NATURE OF THE IMAGES

The images, renderings, photographs, and any other visual representations relating to the "Oxyleaf" project available in the relevant section of this website are provided solely for illustrative purposes and consist of computer-generated content (including three-dimensional renderings, digitally processed images, or images generated using artificial intelligence tools).

Such representations do not depict a product, environment, or object that currently exists in reality. Rather, they are visual simulations intended solely to provide users with a general indication of how the project may appear once completed.

2. NO CONTRACTUAL VALUE

The images published on this website do not constitute, and shall not be construed as, any guarantee, promise, representation, or contractual commitment by Institute Itech S.r.l. regarding the appearance, technical specifications, materials, colours, dimensions, features, or functionality of the final product or service.

The actual product or service, once developed or delivered, may differ from the illustrative images due to technical, manufacturing, regulatory, or material availability requirements.

3. CHANGES AND UPDATES

Institute Itech S.r.l. reserves the right to modify, at any time and without prior notice, the project, its features, and the related graphic representations in accordance with the technical, regulatory, or commercial development of the initiative.

Users are therefore encouraged to review this website periodically in order to stay informed of any updates concerning the progress of the project.

4. LIMITATION OF LIABILITY

Institute Itech S.r.l. shall not be liable for any misunderstandings, expectations, or decisions made by users based solely on the illustrative images published on this website. Such images cannot, under any circumstances, replace official technical information, final product specifications, or contractual communications.

For detailed, up-to-date, and legally binding information regarding the "Oxyleaf" project, users are invited to contact Institute Itech S.r.l. directly using the contact details provided in the section below.

5. UPDATES TO THIS NOTICE

This Notice may be amended or updated from time to time as a result of changes to the project, the services offered through the website, or the applicable legal and regulatory framework. Users are encouraged to review this page periodically to stay informed of any updates.
